Original Scanned Product Image

Product Information

Product Name	Horlicks Classic Malt
Brand	Horlicks
Category	food
Maximum Retail Price (MRP)	Not detected
Net Quantity	Not detected
Manufacturer / Packer	Not detected
Date of Manufacture	Not detected
Expiry / Best Before	Not detected
Batch / Lot Number	Not detected
Regulatory Licence	Not detected
Country of Origin	India (Domestic)

Original Product Image Used for Compliance Screening

Image/File Name: Original filename unavailable

Compliance Score & Status

85 / 100

Overall Status: **MOSTLY COMPLIANT**

Passed: 0 | Potential Issues: 0 | Needs Review: 0

FSSAI Nutrition & HFSS Threshold Audit (Safe vs Unsafe)

Comparison of detected label values (Kitna Hai) vs mandatory FSSAI & ICMR 2024 safe standards (Kitna Rehna Chahiye).

Nutrient Parameter	Observed (Kitna Hai)	FSSAI Limit (Standard)	Safety Status	Clinical / Statutory Verdict
Sodium (Salt)	400 mg / 100g	"d 600 mg / 100g	SAFE	Safe (400mg <= 600mg)
Added Sugars	13.5 g / 100g	"d 10 g / 100g	ELEVATED	High Sugar (+35%)
Saturated Fat	1.4 g / 100g	"d 6 g / 100g	SAFE	Safe SFA level
Trans Fat	0.1 g / 100g	"d 0.2 g / 100g (<2%)	SAFE	Compliant with 2% Trans Fat Cap
